O R D E R:

In the reference read above, the Commissioner of Industries has stated that due to various reasons such as availability of infrastructure, proximity to state capital, availability of raw material, the pace of industrialization differs from district to district. Industrialization is rapid in districts such as Ranga Reddy, Medak, Visakhapatnam, East Godavari, Nellore, Guntur, Krishna etc. In these areas, there is further potential for promotion of MSME and Large scale Industries. In districts with high potential, it has become very difficult for one General Manager of DICto cope up with the work load and deal with all aspects of rapid industrialization. The potential districts need to be bifurcated for administrative convenience and for effective monitoring as far as industrial activities are concerned and also to harness the potential in organized manner.

2. The Commissioner of Industries has therefore submitted proposals for bifurcation of District Industries Centre of four districts namely Ranga Reddy, Medak, Visakhapatnam and East Godavari by dividing each district into two divisions duly taking into account contiguity and potential of the area.

3. The Government after careful examination of the issue, hereby order for bifurcation of D.I.C, Visakhapatnam and D.I.C., Ranga Reddy District as D.I.C., Visakhapatnam-I, D.I.C. Visakhapatnam-II, D.I.C. RangaReddy-I and D.I.C., Ranga Reddy-II with Mandals/areas as detailed in the Annexure-I and Annexure-II, by duly redeploying two posts of Joint Directors from the Office of the Commissioner of Industries one each to Visakhapatnam and Ranga Reddy Districts under internal reorganization.

4. The Commissioner of Industries shall take necessary further action in the matter.
